

## Sage Intacct Industry & User Backing

Everywhere you look, Sage Intacct carries very favourable reviews and customer satisfaction scores. These scores are not just collected from one place or skewed in anyway. As you can clearly see from the sites and scores below, Sage Intacct is reviewed both professionally (site owners/industry bodies) and by tens of thousands of users alike as a great product.

### AICPA – American Institute of Certified Public Accountants (US)

Sage Intacct is the first and only preferred financial applications provider recommended by the AICPA.
