

## **Sage CRM UK Pricing Guide**

Please note - this is a basic pricing guide for Sage CRM and Sage 200 CRM to help give you an idea of the license costs, and it is not a formal quote, prices do change so please call for the latest prices or to discuss the types of licenses available.

When considering Sage CRM or Sage 200 CRM, please remember that there will be additional costs involved, such as implementation costs, training and ongoing support costs, please call to discuss your requirements in more detail.

- ✓ Note – Sage CRM is currently only available on annual subscriptions, and the costs quoted are for 12 months.
- ✓ You cannot mix Concurrent Users with Named Users
- ✓ There is no charge any more for the Platform software, this is included when you purchase Sage CRM licences.
- ✓ All CRM users must be licenced for either SQL or Oracle, it is the Sage Business partners or customers responsibility to ensure this and is not available through Sage.

### **Sage CRM Named Users**

*Each Named Sage CRM user is £367 per annum – subscription*

*There are no price breaks for more additional users, it's just £367 per user per annum, which equates to £30.58 per user per month.*

### **Sage CRM Concurrent Users**

*Each Concurrent Sage CRM user is £550 per annum – subscription*

*There are no price breaks for more additional users, it's just £550 per user per annum, which equates to £45.83 per month per user.*

Note - If you want to link Sage CRM to either Sage 50 or Sage 200, you need either Qnect 50 (£60 per month) or Qnect 200 (£100 per month).

### **Sage 200 CRM**

If you already have Sage 200 you can purchase Sage 200 CRM, which you can take out a monthly subscription, you will also need Qnect200 as well.

*Each Sage 200 CRM Named User is £21 per user per month - subscription*

*Each Sage 200 CRM Concurrent User is £31 per user per month - subscription*
