

SAGE 200 CONSULTANT

We have an exciting opportunity for a Sage 200 consultant to join our growing team of Sage experts who are dynamic individual with an outlook of excellence & success.

Established in 1995, AlphaLogix is one of the largest accredited Sage 200 Business Partners and Sage 200 Software Developers in the UK.

We have recently experienced rapid growth in our Sage 200 client base, and we are now seeking an additional Sage 200 Consultant to join for our team and hit the road running.

Main responsibilities:

- Sage 200 Consultancy to new and existing clients
- Sage 200 Client Account Management
- Demonstrating Sage 200 to prospective clients
- Training Sage 200 to new and existing users
- Travelling to client sites across the UK.
- Driving implementation projects to deliver measurable business benefits
- Implement Financials/Accounting software for new customers
- Ensure projects are delivered on time, within budget and within scope
- Remote telephone support
- Testing of new releases and development

Practical experience in one or more of the following business areas:

- Strong experience Sage 200 consultancy
- Management and financial accounting
- Project management, project accounting, project billing
- Experience with implementation Multi-currency reporting, multi-company accounting and consolidation
- Purchasing, stock accounting and ordering
- Good understanding of basic business processes
- Good IT technical skills and understanding

Experience of the following would be desirable, but is not essential as training can be provided

- Manufacturing
- CRM
- Project Accounting
- Sicon Module
- Accreditations would be highly advantageous, but training will be given

We offer:

- Exciting professional and personal development opportunities
- Friendly and professional working environment
- Offices set in an idyllic location with free parking

AlphaLogix
the logical choice

- Opportunity to work with industry leading Technical Consultants
- Possibility of further studies

Salary negotiable, depending on qualifications and experience
